2019 HANS DIERCKSEN MEMORIAL COLLEGE SCHOLARSHIP

I.   Scholarship applicant should be a member of the Sullivan County Conservation Club, or child or grandchild or dependent of a member in good standing for at least one year before applying for scholarship.

II.   Scholarship applicant must be attending or registered for post high school education full-time for the current school year. A student is considered full-time if they take a minimum of 12 hours of undergraduate courses or 9 hours of graduate courses. Applicant should be a U.S. citizen or legal resident, and plan on attending a school located within the United States. Preference is for the student to be in an accredited conservation, biological-science, agriculture or related program.

III.   For continuing students, the application must contain the student's transcript <u>and</u> a tuition receipt or printed schedule of classes issued by the academic institution for the upcoming semester. If the student is beginning their first semester of study, the student must include a High School transcript <u>and</u> tuition receipt or a schedule of classes issued by the academic institution for the upcoming semester.

IV.   The student must have a Grade Point Average of 2.5 or better, and is not eligible for more than one scholarship award from the Sullivan County Conservation Club during any 4 year period.

V.   Please include a brief essay outlining any academic, community and conservation achievements.

Up to two $1000 scholarships will be awarded by May 30.
